Defeats Eleven Starters in Motor Boat Fixture.

Defeats Pick of the Milers in Games at Celtic Park.

SHEPPARD A CLOSE SECOND**Patt Adams Sets New World's Mark in Nine Standing Jumps Event.**

Abel R. Kiviat, the great little distance champion of the Irish-American Athletic Club won a thrilling victory in the one-mile run at the games of the Mayo Men's Association, which were held at Celtic Park yesterday. He defeated the pick of the local stars, including Billy Paul, the former University of Pennsylvania athlete; Edwin W. Sheppard and Frank N. Riley, the Irish club captain.

Kiviat was by a yard, standing off the second in the dash to the finish.

The time was 8 minutes 22 seconds, which exhibited one of his famous runs coming up in the stretch to finish second, but was unable to pass the tying great.

Frank Riley was third, ten yards behind him, his running being a revelation.

The race was promoted by the Mayo Association, it was a six event affair, but in the five thousand spectators found only champions and distinguished runners as competitors.

Patt Adams, the brilliant all around champion of the New York Athletic Club, demonstrated his versatility by establishing a new world's record for the nine standing jumps. He cleared a distance of 50 feet 7 inches, which remarkable performance overshadowed that of Malcolm Reid, the famous oldtime athlete, made on Manhattan Field in 1888, by 3 feet 4 inches.

In fact, the three competitors to participate in the event had no trouble in improving Reid's old figures. Dan Healy, the indoor track junior and senior champion, who finished second, was only one and a half inches behind Reid.

Martin J. Sheridan had an easy task in winning the discus event. It was a scratch match defeating the poor field of competitors with a throw of 135 feet 5 inches. His brother Andrew, who is rapidly improving, was second, with 122 feet 8 inches.

Gwynne Henry, the Texas sprinter, again was a creditable victory in the 120-yard event, defeating a dozen of the stars of the metropolitan district. He captured the heat easily in 12 seconds, and repeated the same result, winning by a yard from Jimmy Schaefer and Robert Cleophaen, who were second and third respectively, only places separating them.
